Gentlemen,

An inquiry from  
Australia for connections in  
this country, from a collector  
of about 30 years experience, suggests  
that I get in touch with you.

Would you let me  
know what membership involves?

My friend would be  
glad, I am sure, to get this  
information.

Thanking you, in  
anticipation,

yours very truly.

C. G. Landy.

Dear Sir:

I have your favour of April 26th, and am glad to send you the following information with regard to our Society.

Associate Members pay but Five Dollars annually, and this entitles them to all publications as issued throughout the year, a list of which I am enclosing which will give you some idea of the various subjects treated. Members also have the privilege of subscribing for medals issued by the Society from time to time.

Enclosed please find a leaflet describing briefly the aims of the Society, together with an application card of which your friend may care to make use.

Very truly yours,
